

Pontificia Universidad  
**JAVERIANA**  
Cali

Santiago de Cali, August 8, 2013.

## TO WHOM IT MAY CONCERN

In reference to: **ISABEL CRISTINA GALVIS ZAPATA**

For the reasons which I will mention below, please allow me to recommend **ISABEL CRISTINA GALVIS ZAPATA – Electronics Engineer**. Isabel completed her undergraduate studies at the Pontificia Universidad Javeriana Cali.

I have since followed her university career and Isabel has consistently responded responsibly and with great seriousness. Throughout her studies she has impressed us with the profound interest which she has shown in her career and in learning.

Furthermore, Isabel is a team player; she maintains extremely good and proactive relationships with those around her. She is a self-starter and through her initiative she contributes positively to group dynamics. She collaborates fully with her classmates whenever possible.

I am very pleased to be able to recommend her so highly and am available for any additional information which may be needed.

Sincerely,

**ANA VICTORIA PRADOS ARBOLEDA**

Director for the Career of Electronic Engineering

Pontificia Universidad Javeriana Cali
